# Into The Bible

**Read Joshua 5:13-6:5 and 6:20**

What was Joshua doing when the LORD appeared to Him?

How did the LORD choose to appear to Joshua and why do you think He chose to do it in that way?

Why does the Commander say He is neither for Israel or their enemy?

How do you think this visit from the LORD affected Joshua?

What can we learn from Joshua's reaction?

What seemed strange about the LORD's battle strategy?

What lessons was God teaching His people during those seven days of marching?

# Connecting

**Read Genesis 18:1-8; 32:24-32; and Daniel 3:25.**

God appeared to different people in different ways throughout the Old Testament, but always in the way they needed. How do we see that in these accounts? In what way has God appeared to us?

**Read Hebrews 2:10.** What does it mean for Christians to have a captain of their salvation? How does this concept help us face the challenges of life? How does it help us face death and eternity?

**Read 1 Corinthians 1:18-25.** How was God's plan for our salvation similar to His plan for taking over Jericho?

How does the knowledge that God uses the seemingly insignificant help you as you seek to live for him?
